§ ENVIRONMENTAL QUALITY**

## **AGREED ORDER DOCKET NO. 2011-0990-PWS-E**

At its \_\_\_\_\_ agenda, the Texas Commission on Environmental Quality ("the Commission" or "TCEQ") considered this agreement of the parties, resolving an enforcement action regarding Olmito Water Supply Corporation ("the Respondent") under the authority of TEX. HEALTH & SAFETY CODE ch. 341. The Executive Director of the TCEQ, through the Enforcement Division, and the Respondent presented this agreement to the Commission.

The Respondent understands that it has certain procedural rights at certain points in the enforcement process, including, but not limited to, the right to formal notice of violations, notice of an evidentiary hearing, the right to an evidentiary hearing, and a right to appeal. By entering into this Agreed Order, the Respondent agrees to waive all notice and procedural rights.

It is further understood and agreed that this Order represents the complete and fully-integrated settlement of the parties. The provisions of this Agreed Order are deemed severable and, if a court of competent jurisdiction or other appropriate authority deems any provision of this Agreed Order unenforceable, the remaining provisions shall be valid and enforceable. The duties and responsibilities imposed by this Agreed Order are binding upon the Respondent.

The Commission makes the following Findings of Fact and Conclusions of Law:

### **I. FINDINGS OF FACT**

1. The Respondent owns and operates a public water supply at 101 Clara Bennett Drive in Olmito, Cameron County, Texas (the "Facility") that has approximately 1,667 service connections and serves at least 25 people per day for at least 60 days per year.

2. During a record review conducted on June 8, 2011, TCEQ staff documented that the Respondent did not achieve a turbidity level of combined filter effluent that is less than 1.0 Nephelometric Turbidity Units ("NTU") for one day in December 2010 and two days in February 2011.
3. During a record review conducted on June 8, 2011, TCEQ staff documented that the Respondent did not achieve a turbidity level of the combined filter effluent that is less than 0.3 NTU in at least 95% of the samples tested in August 2010, September 2010, December 2010, January 2011, February 2011, and March 2011.
4. During a record review conducted on June 8, 2011, TCEQ staff documented that the Respondent did not measure and record the turbidity level at the effluent of each filter at least once per day for 31 days in August 2010 and nine days in September 2010.
5. The Respondent received notice of the violations on June 20, 2011.
6. The Executive Director recognizes that the Respondent has implemented the following corrective measures at the Facility:
  - a. As of March 1, 2011, achieved compliance with the turbidity levels of the combined filter effluent of less than 1.0 NTU;
  - b. As of April 21, 2011, achieved compliance with the turbidity levels of the combined filter effluent of less than 0.3 NTU in at least 95% of the samples tested; and
  - c. As of October 1, 2010, began monitoring and recording the turbidity level at the effluent of each filter at least once per day.

## II. CONCLUSIONS OF LAW

1. The Respondent is subject to the jurisdiction of the TCEQ pursuant to TEX. HEALTH & SAFETY CODE ch. 341 and the rules of the Commission.
2. As evidenced by Findings of Fact No. 2, the Respondent failed to achieve a turbidity level of combined filter effluent that is less than 1.0 NTU, in violation of 30 TEX. ADMIN. CODE § 290.111(e)(1)(A) and TEX. HEALTH & SAFETY CODE § 341.0315(c).
3. As evidenced by Findings of Fact No. 3, the Respondent failed to achieve a turbidity level of the combined filter effluent that is less than 0.3 NTU in at least 95% of the samples tested, in violation of 30 TEX. ADMIN. CODE § 290.111(e)(1)(B) and TEX. HEALTH & SAFETY CODE § 341.0315(c).

4. As evidenced by Findings of Fact No. 4, the Respondent failed to measure and record the turbidity level at the effluent of each filter at least once per day, in violation of 30 TEX. ADMIN. CODE § 290.111(e)(3)(D)(ii).
5. Pursuant to TEX. HEALTH & SAFETY CODE § 341.049, the Commission has the authority to assess an administrative penalty against the Respondent for violations of the Texas Water Code and the Texas Health and Safety Code within the Commission's jurisdiction; for violations of rules adopted under such statutes; or for violations of orders or permits issued under such statutes.
6. An administrative penalty in the amount of Six Thousand Two Hundred Forty Dollars (\$6,240) is justified by the facts recited in this Agreed Order, and considered in light of the factors set forth in TEX. HEALTH & SAFETY CODE § 341.049(b). The Respondent has paid Two Hundred Ninety Dollars (\$290) of the administrative penalty. The remaining amount of Five Thousand Nine Hundred Fifty Dollars (\$5,950) of the administrative penalty shall be payable in 35 monthly payments of One Hundred Seventy Dollars (\$170) each. The next monthly payment shall be paid within 30 days after the effective date of this Agreed Order. The subsequent payments shall each be paid not later than 30 days following the due date of the previous payment until paid in full. If the Respondent fails to timely and satisfactorily comply with the payment requirements of this Agreed Order, the Executive Director may, at the Executive Director's option, accelerate the maturity of the remaining installments, in which event the unpaid balance shall become immediately due and payable without demand or notice. In addition, the failure of the Respondent to meet the payment schedule of this Agreed Order constitutes the failure by the Respondent to timely and satisfactorily comply with all the terms of this Agreed Order.

### **III. ORDERING PROVISIONS**

NOW, THEREFORE, THE TEXAS COMMISSION ON ENVIRONMENTAL QUALITY ORDERS that:

1. The Respondent is assessed an administrative penalty in the amount of Six Thousand Two Hundred Forty Dollars (\$6,240) as set forth in Section II, Paragraph 6 above, for violations of TCEQ rules and state statutes. The payment of this administrative penalty and the Respondent's compliance with all the terms and conditions set forth in this Agreed Order completely resolve the violations set forth by this Agreed Order in this action. However, the Commission shall not be constrained in any manner from requiring corrective actions or penalties for other violations that are not raised here. Administrative penalty payments shall be made payable to "TCEQ" and shall be sent with the notation "Re: Olmito Water Supply Corporation, Docket No. 2011-0990-PWS-E" to:

Financial Administration Division, Revenues Section  
Attention: Cashier's Office, MC 214  
Texas Commission on Environmental Quality

2. The provisions of this Agreed Order shall apply to and be binding upon the Respondent. The Respondent is ordered to give notice of the Agreed Order to personnel who maintain day-to-day control over the Facility operations referenced in this Agreed Order.
3. The Executive Director may grant an extension of any deadline in this Agreed Order or in any plan, report, or other document submitted pursuant to this Agreed Order, upon a written and substantiated showing of good cause. All requests for extensions by the Respondent shall be made in writing to the Executive Director. Extensions are not effective until the Respondent receives written approval from the Executive Director. The determination of what constitutes good cause rests solely with the Executive Director.
4. The Executive Director may refer this matter to the Office of the Attorney General of the State of Texas ("OAG") for further enforcement proceedings without notice to the Respondent if the Executive Director determines that the Respondent has not complied with one or more of the terms or conditions in this Agreed Order.
5. This Agreed Order shall terminate five years from its effective date or upon compliance with all the terms and conditions set forth in this Agreed Order, whichever is later.
6. This Agreed Order, issued by the Commission, shall not be admissible against the Respondent in a civil proceeding, unless the proceeding is brought by the OAG to: (1) enforce the terms of this Agreed Order; or (2) pursue violations of a statute within the Commission's jurisdiction, or of a rule adopted or an order or permit issued by the Commission under such a statute.
7. This Agreed Order may be executed in separate and multiple counterparts, which together shall constitute a single instrument. Any page of this Agreed Order may be copied, scanned, digitized, converted to electronic portable document format ("pdf"), or otherwise reproduced and may be transmitted by digital or electronic transmission, including but not limited to facsimile transmission and electronic mail. Any signature affixed to this Agreed Order shall constitute an original signature for all purposes and may be used, filed, substituted, or issued for any purpose for which an original signature could be used. The term "signature" shall include manual signatures and true and accurate reproductions of manual signatures created, executed, endorsed, adopted, or authorized by the person or persons to whom the signatures are attributable.
